- SASS
- MVC
- Scrum/Agile
- Restful Web API
- MySQL
- Git
- Express
- Postman
- Figma

Education

2022
Full Stack Software Developer Certificate of Completion
CodeWorks

2020 - Expected Graduation: 2025
Bachelors of Science
Boise State University

Languages

- **English**
- **Spanish**

Organizations

2021 - Present
Pi Kappa Alpha Fraternity
Diversity/Inclusion Chairmen

Diego Dominguez
Full-Stack Software Developer

Passionate developer who has experience with multiple languages and frameworks building full-stack applications individually and as a team. Yearning the opportunity to share his skills with a group of developer to make a positive impact and solve real world problems. Has a desire to keep on learning and receive constructive criticism to make as a better developer.

Applications

On-tracker
https://github.com/DiegoDomingu3z/on-tracker

- Full-Stack application created with a team of five developers using JavaScript, Node.js, Vue.js, as the main languages and frameworks.
- On-tracker was created to serve as a business tracking system for contractors, using Mapbox library to implement a functioning UI map to track projects/progress locally or globally.
- Worked heavily on writing back end using Node.js to implement business logic to contain a steady flow between employees and employers of a business, as well as implementing front end UI/UX

Keepr
https://github.com/DiegoDomingu3z/Keepr

- Solo Full-Stack application developed intensively in a required 7 day time period for users to post pictures and add them to desired albums
- Application was heavily developed for an easy and appealing UI/UX
- Built using C#, Vue.js, JavaScript, MySQL, Auth0

Experience

2022
CodeWorks

Full-stack Software Development Student

- Created Full-Stack applications using JavaScript, C#, Node.js,, Vue.js, MongoDB, MySQL, and HTML/CSS.
- Completed over 15 projects in a 13 week time period with over 500+ hours of hands- on coding.
- Efficiently worked with a small team of developers using agile/scrum practices to develop client appealing full-stack applications in short periods of time.

2021
Boise State University

Orientation Leader

- Organized, presented, and facilitated group activities for incoming Boise State students and promoted community bonds through engaging events.
- Assisted with transition to college life by mentoring, providing one-on-one support, addressing variety of visitor questions and concerns, and offering additional resources and references for more detailed information.
